ENTRY REQUIREMENTS

AGE REQUIREMENTS

Be 18 years or over at course commencement.

ENGLISH REQUIREMENTS

We accept the admission to the students if they qualify in ANYONE (1) of the following: International students applying for this course either off-shore or on-shore will require:

- Either a minimum IELTS test score of 6.0 (with no component lower than 5) or equivalent for direct entry into a VET course; Results older than two years are not acceptable.

OR

- To provide evidence that they have studied in English for at least 5 years in Australia, Canada, New Zealand, Republic of Ireland, South Africa, United Kingdom, or United States.

LANGUAGE, LITERACY AND NUMERACY (LLN) TEST

Applicants must undertake a language, literacy, and numeracy assessment during their induction session prior to beginning the qualification. Results will be assessed on an individual level by the assessor. Depending upon the level of support required for the language, literacy, or numeracy an alternative training and assessment methods may be used or the learners will be recommended through individual support to fulfill the LLN gaps during the student journey.

OVERSEAS STUDENT HEALTH COVER (OSHC)

All international students must have Overseas Student Health Cover (OSHC) for the entire duration of their stay in Australia.

PHYSICAL REQUIREMENTS

Participants must be able to undertake the physical tasks required in this role including manual handling using equipment in an aged care or disability care setting.

WORK PLACEMENT

Students are required to undertake a Practical placement of 140 hours. This placement gives the student the opportunity to apply their knowledge acquired in the classroom into work-based practices. A Police Clearance Certificate is mandatory prior to your work placement; you must undertake a Federal Police Check (AFP). This can be done through a website. GHMC can assist finding suitable placements upon request.

DELIVERY MODE

Delivery is face to face classroom based under supervision from a qualified trainer and assessor. Where this delivery includes provided student notes, learning activities and guided learning. Experience in simulated workplace environments allowing for training, practice, and assessment to occur in an appropriate environment (subject to units). During the practical sessions, enough time is allocated to students to perform the required tasks, practice their skills, reinforce their knowledge, and prepare themselves for the practical assessments.

COURSE CREDIT

Global Healthcare Management College can grant you credit towards your course for units of competency that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit in your course, and the subject or unit you have completed.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised. Global Healthcare Management College has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment, but you may also apply up to 2 weeks into your course.
